## Sussex Willow Coffins

### *Buff Willow*

Our **Buff Willow Coffin** features classic willow which is prepared by boiling, then stripping to give a natural shine. Used here in tandem with natural willow to give contrast and elegance.

### *Natural Willow*

Our **Natural Willow Coffin** is made from a combination of our favourite willow varieties, unprocessed with the bark on, in predominantly green with earthy brown bands of colour.

- No board, glue or toxic material
- Materials sourced within Sussex
- Certified for cremation

Load-bearing natural sisal rope handles, woven into the structure of the coffin.

Clasps made from plaited willow and coppiced hazel.

Supports willow cultivation and habitat creation in the local area.

Compliant with natural burial site regulations and values.
